We have received your reply to your offer of admission

Dear Máté Kornidesz,

You have responded to the offer of admission by either accepting or rejecting the offered place on the degree programme in Computer Science, Summer intake at Aarhus University.

You have: Accepted your offer.

If you have accepted the offer of admission, please read on.

If you have rejected the offer of admission, no further action on your part is necessary.

Check your application status

You can check the current status of your application on the tab 'View status of applications'. Your status has been changed from 'Offered admission' to 'Admitted'.

If the offer of admission is conditional, your status has been changed from 'Offered conditional admission' to 'Conditionally admitted'.

If you have been granted conditional admission

If you have been granted conditional admission, you must still meet all of the admission requirements before your admission can be finalised.

You will find the deadlines for uploading the necessary documentation here:

<http://kandidat.au.dk/en/admission/application-deadlines-and-important-dates/>

If you have applied to other Danish educational institutions

Admission to Master's degree programmes in Denmark is not coordinated between the educational institutions. This means that if you have applied to Master's degree programmes at other Danish educational institutions, you must take the necessary steps in relation to those applications. If you change your mind about accepting your offer of admission to Aarhus University, please contact us.

Student grants and loans (SU)

You will find general information about SU at <http://studerende.au.dk/en/su/>.

Commencement of studies

You will find general information about commencement of studies at
<http://studerende.au.dk/en/studentorientation/>.

In the weeks leading up to commencement of studies, you will also be able to find information about commencement of studies for your own degree programme.

Finding housing

If you have not begun looking for a place to live, we recommend that you do so as soon as possible.

You can read more about how to find housing at:

<https://international.au.dk/life/locations/housing/auhousing/housing-options-for-international-students-at-au/>.
